

Summer is here and Boston is alive with the arts. Music and dance, performance and song, arts and crafts, festivals and celebrations. And this summer, it's all happening right in the City's front yard at the Community Arcade on City Hall Plaza.

Join in the fun and excitement Tuesdays at 11 AM to 3 PM as the Arcade comes to life with Art Mart, Boston's local artisan marketplace. At Noon, the Arcade sets the stage for a wide and eclectic variety of musicians and performers. Jazz, R&B, gospel, doo-wop, and dancing – *you name it, you'll find it here this summer!*

Thursdays from 10 AM to Noon, expect the unexpected with fun, lively, and educational entertainment – music, theatre, dance – especially for kids. And in July from 11:30 AM to 12:30 PM, the Arcade features the ReadBoston book mobile. *Bring the kids along to hear a story and receive a book.*

And don't forget, on Mondays and Wednesdays, the Farmers' Market – a Plaza tradition will take their place under the Arcade trellis, selling *right-off-the-farm Massachusetts grown produce.*
